

Labatt's Hockey Detroit

Labatt's Hockey Detroit – Rules & Format 2024/2025 Fall/Winter Thursday Elite A League

FORMAT

Score Sheets

(New for 2024/25) Each team is responsible for filling out the score sheet each week with the players participating in that week's game only. If you do not fill out the score sheet prior to the game the scorekeeper will note the jersey numbers of the players on the ice. The score sheets are used when determining games played for playoff eligibility, so it is critical that they and your team roster are accurate. Players on the roster without numbers will not receive games played unless their attendance is specifically noted on the score sheet.

Game Format

3 minute pre-game warm up
Three stop time periods (13 minutes)
Run time during third period with 5 goal differential.
Best of 3 shootout for ties: 1 pt. for over-time loss; 2 pts. for win. Home team decides which team shoots first. Any player serving a penalty at the end of regulation is ineligible to participate in the shootout.
TIME OUTS- Each team is allowed one 30 second 'stop time' time out.

Playoff Format

Playoffs will be single elimination bracket for the Quarterfinal round and the Semifinal and Championship rounds will be a best of three game series. Playoff game ties will be decided by:

1. Five minute run clock overtime period 4 on 4
2. Five minute run clock overtime period 3 on 3
3. Best-of-three shootout
4. Sudden death shootout

Clock to revert to stop time during OT penalties.

*Players must play at least 6 regular season games to be eligible for the playoffs.

Forfeits **(New for 2024/25)** In the event that your team needs to forfeit, out of respect to your opponents, please make your best effort to notify the League at hockeydetroit@yahoo.com or text/call Andrew Georgine (248)891 5760 as soon as possible so that we can notify the opposing team, officials, rink, etc. In the event that a forfeiting team wants to try to reschedule the forfeited game an attempt will be made by the league to coordinate this provided the other team is interested and a mutual date and time can be agreed upon (subject to ice availability). Games forfeited more than 3 days in advance will require a rescheduling fee of \$150 and games forfeited less than 3 days in advance will require a rescheduling fee of \$450, paid for by the forfeiting team to cover ice, refs and scorekeeper. Teams with multiple forfeits in one season are subject to review and/or removal from the league for the following season.

Please be prepared ahead of time for losing players due to relocating, injury, etc. by using each of your 20 allotted roster spots. Meaning, if you plan to use 10 regular guys then roster up to an additional 10 players that would be your backups in the event that your team loses players for any reason or for subs. Each team should have at least a 2nd goalie included on their roster and there is no limit to how many goalies you can include on your roster. Each player must be registered with USA Hockey and have signed the LHD Release of Liability, both of which can be done electronically.
